## Get signed. Then relax.

think**music** from think**us** is a service offering representation for the latest and greatest up-and-coming bands and artists in Surrey.

For a small fee, you can secure a contract with us providing an opportunity for a gig and to have a CD professionally recorded and mastered and then distributed by our crack marketing team – all done on our time, of course.

In the future, other services such as matching you with event managers needing musicians might also be thrown in the bundle.

You'll want to get in quick, as we're expecting high interest for this unique service. Don't delay – fill in this form to register your interest and we'll get back to you. And don't worry: there's **no commitment whatsoever**.

## All done?
